

SPECIALIZED SECURITY SERVICES

War, terrorism, criminal activity, workplace violence... the list of security-related worries preoccupying today's society seems to grow each year. The world is changing. Complacency has never been wise, and at a time of increasing uncertainty, it has become outright dangerous and irresponsible. Solutions Group International (SGI) was created to provide Specialized Security Services, Tactical Firearms Training, Survival Skills Training, and Investigations to a diverse clientele.

Our staff at SGI is committed to developing and fostering long term working relationships with our clients by providing them with total quality service. Our ultimate goal is to exceed our clients expectations and to ensure that each of them receives the high level of personalized attention they expect when contracting with a professional company

SGI is uniquely capable of providing our clients with a variety of specialized security services and customized training. To meet the diverse needs and growing demands of our clientele, SGI has established eight distinct service divisions:
