

Our Mission...

Securing and Protecting Supply Chains Coast to Coast

Our Capabilities Include:

- ◆ Armed and unarmed security escorts for high-value freight and pharmaceutical shipments
- ◆ Security escorts for cross-border operations (Mexico and Canada)
- ◆ Security escort services for individual tractor-trailers and multi-vehicle convoys
- ◆ Rapid nationwide deployment with short-notice response capability
- ◆ Asset recovery and investigative services
- ◆ Coordination of split pickups with single-destination delivery from multiple distribution centers
- ◆ Encrypted communications are used throughout all escort operations
- ◆ Real-time tracking and monitoring of shipments while in transit
- ◆ 24/7/365 support from our Strategic Operations Center (SOC)
- ◆ Experienced personnel with backgrounds in logistics, convoy security, and diplomacy
- ◆ Comprehensive documentation, including electronic logs, time-stamped photos, and mission reports from origin to destination
- ◆ A proven commitment to maintaining strong, professional relationships across the supply chain

WHERE THE RUBBER MEETS THE ROAD, THE SAFEST PLACE TO BE IS BY OUR SIDE
