

# Our Mission...

## Securing and Protecting Supply Chains Coast to Coast

### Our Capabilities Include:

- ◆ Armed and unarmed security escorts for high-value / high-risk freight, pharmaceuticals, and government shipments.
- ◆ Security escorts for cross-border operations (Mexico and Canada).
- ◆ Security escorts for individual tractor-trailers and multi-truck convoys.
- ◆ Rapid nationwide deployment on short-notice with the ability to scale.
- ◆ Hand-Carry secure delivery service for high-value, or urgent items.
- ◆ Asset recovery and investigative services.
- ◆ Coordination of split pickups with single-destination delivery from multiple distribution centers.
- ◆ Encrypted communication and proprietary escort app used on all missions.
- ◆ Real-time tracking and monitoring of shipments while in transit.
- ◆ 24/7/365 support from our U.S. based Strategic Operations Center (SOC).
- ◆ Law Enforcement & Military personnel with backgrounds in specialized security applications, logistics, convoy security, and counter-surveillance.
- ◆ Comprehensive documentation, including electronic logs, time-stamped photos, mission reports, and mission visibility from shipper to receiver.
- ◆ A commitment to maintaining strong, professional relationships across the supply chain through positive interaction and diplomacy with all stakeholders.
